

Place Our Sentiment Widget on Your Company's About Page

Gain Free Awareness for Your Stock Through Our Social Network:

- SpeculatingStocks will place a 'BUY' Sentiment on your stock (reiterated monthly)
 - SpeculatingStocks will "Follow" your stock (re-followed monthly)
 - Minimal of 3 Posts by SpeculatingStocks on your stock (every month)

*Above free services gain visibility for your stock on key sections of SpeculatingStocks, across our Widget Network, and in Google search results.

Visitors to Your About Page will Gain Dynamic Insight Into Your Stock:

- Widget holds your: 1) company name and symbol, 2) website address, 3) exchange, 4) industry, 5) most recent post on your stock from our social network, 6) sentiment on your stock, 7) easy access for your investors to find more info on your stock at our symbol page.

*Your investors will know where to go to post & place sentiment on your stock. Provides social proof for your stock.
